

Welcome to Volunteering at Windham Middle School

The Windham Middle School has a well-established volunteer program for assisting the teachers and staff. Many volunteer opportunities are available, and range from helping for an hour or two with an academic unit or special event, to baking, and/or to committing to a regularly scheduled activity.

In the next few days, you will also see a PTA membership form. I would like to encourage you to join the PTA. As a volunteer, you are assisting the PTA in one of the many valuable ways it benefits our children and our schools.

The WMS Volunteer Committee uses the e-mail system as the primary way to communicate volunteer opportunities and to organize events. By providing your e-mail address below, you will receive notices of volunteer opportunities via e-mail that pertain to your child's grade or the entire Middle School. You will then have the option of helping out if it fits within your schedule. We encourage everyone to participate in this worthwhile program. Thank you!

Please Print Clearly

Name: _____ Phone Number: _____

Address: _____

Email: _____ (used for PTA purposes only)

Child's First Name	Grade	Homeroom Teacher
